## **Town of New Baltimore Announces Board Meetings Will Be Televised on Channel 11**

The Town of New Baltimore is proud to announce that Town Board Regular and Work Meetings will be shown on Mid-Hudson Cablevision beginning next week. We have worked very closely with Mid-Hudson Cablevision who has provided the equipment and training free of charge to the Town.

Our first Board Meeting was successfully taped on February 23 and will be televised on Monday, March 2 at 7 PM on Channel 11. This schedule will continue the following Monday after each Board meeting.

The Town Board is committed to Open Government and transparency. We welcome this media coverage for our residents who are unable to attend regular meetings but who can now follow the proceedings of the Town in the comfort of their own home.
